NY SUGAR & ETHANOL  
CONFERENCE 2022

**EVENT PROGRAM**

---

**MAY 11th - 2022**  
583 PARK AVENUE

## ABOUT THE EVENT

Aiming to discuss the main issues of the global Sugar and Ethanol industries, the International Sugar Organization (ISO) alongside CITI and DATAGRO will hold the 15th edition of the **CITI ISO DATAGRO New York Sugar & Ethanol Conference** on May 11th, 2022 at the 583 Park Avenue, NY 10065, USA.

Since its very first edition, the conference is recognized as the official technical event of the New York Sugar Dinner and has become an established tradition in the global sugar and ethanol community. The event will gather renowned experts and influential players of the sector along with financial specialists to discuss important topics related to the commodity and the biofuel as well as their perspectives for the coming years.

**#CITIISODATAGRONY**

We wish you all a great event!

## ACKNOWLEDGEMENT

A successful event takes a lot of hard work and preparation.

To organize and bring our annual event to life, we had the help and support of many individuals and businesses who believed in our work and helped making the **CITI ISO DATAGRO NY Sugar & Ethanol Conference** become the important event for the global sugar-ethanol community that it is today.

On behalf of **DATAGRO**, we would like to express our sincerest appreciation and gratitude to all our sponsors and supporters, and we hope to continue to grow these relationships in the years to come.

And last but not least, we are grateful to and inspired by our more than 20 speakers for sharing their knowledge and insights with all the participants at the **#CITIISODATAGRONY**. Their presence is absolutely vital to our having a successful event.

We hope to see everyone again next year!
